TELEHEALTH TO PATIENT CONSENT FORM

I understand that my health care provider wishes me to engage in a telehealth consultation.

My health care provider explained to me how the video conferencing technology that will be used to affect such a consultation will not be the same as a direct client/health care provider visit due to the fact that I will not be in the same room as my provider.

I understand that a telehealth consultation has potential benefits including easier access to care and the convenience of meeting from a location of my choosing.

I understand there are potential risks to this technology, including interruptions, unauthorized access, and technical difficulties. I understand that my healthcare provider or I can discontinue the telehealth consult/visit if it is felt that the videoconferencing connections are not adequate for the situation.

I have the opportunity to have a direct conversation with Live Smarter Nutrition & Wellness, during which I can ask questions in regard to this procedure. My questions will be answered and the risks, benefits and any practical alternatives will be discussed with me in a language in which I understand.
